Annual Fund 2026

Dear North Bridge Community,

We are entering our 11th year of empowering and equipping students with dyslexia to embrace their strengths and realize their full potential as learners and human beings. North Bridge Academy has consistently changed the trajectory of students' lives. Our early graduating classes are now successful college students; others attend rigorous high schools. This is only possible with the support of our families.

Each year we strive to keep tuition as low as possible. Fundraising makes up the $250,000 gap between our actual operating costs and tuition revenue. Every donation, no matter the amount, is appreciated and goes directly to support our program. Last year, 90% of our families donated to the Annual Fund; gifts ranged from $5 to $50,000. Our goal this year is to reach 100% family participation.

This link will take you to the Giving Page on our website, with all the various ways that donations can be received. Stock donation instructions are included. Please pass the Giving Page link on to your extended family!

Your gifts ensure we can realize the depth and breadth of the programs that make North Bridge Academy an excellent learning experience for all our students – a school they not only need, but one they love.

With Gratitude,

North Bridge Academy Board of Directors

Your donations will support the cost of:

- Tuition assistance
- Professional development
- Field trips and outdoor education
- STEM and Science equipment
- Art and Music equipment

All levels of support count towards our goal of 100% family participation:

Narwhal Ambassador: $50,000 and above
Slingerland Superstar: $25,000 to $49,999
Partner: $10,000 to $24,999
Supporter: $5,000 to $9,999
Friend of NBA: Up to $4,999

"We give to the North Bridge Academy Annual Fund, because we believe this school changes lives. We have witnessed the transformation in our son, who arrived with a fear of school and very little confidence in himself and his ability. Through the dedication and highly skilled approach of the teachers and staff, we have witnessed what can happen when a child gets the support and teaching he needs."

Alexandra and Patrick Ewers

"We are proud to support the NBA Annual Fund, because we understand that access to this type of special education is a gift which should be available to all kids who would benefit from it. We know that our contribution goes towards making North Bridge Academy more accessible and inclusive."

Amy Offen-Reeves and Adam Reeves

All donations are tax deductible.
